Education Code Section 35705.5 requires that the County Committee on School District Organization make available to the public and to the governing boards affected by the petition a description of the petition and certain enumerated information:

Description of Petition

The proposal requests a transfer of 13 parcels from the North Monterey County Unified School District to the Lagunita Elementary School District. By operation of law pursuant to Education Code section 35541, a transfer of territory into Lagunita Elementary School District results in a transfer of that same territory into Salinas Union High School District. A map of the territory proposed for transfer and a list of the assessor parcel numbers are attached.

The chief petitioner is:

Amy Bordi
19980 Pesante Road
Salinas, CA 93907

Education Code § 35705.5 Required Information

1. The rights of the employees in the affected districts to continued employment.

Not applicable to the current petition. The rights of the employees to continued employment will not be affected by the proposed territory transfer.

2. The local control funding formula allocation pursuant to Section 42238.02, as implemented by Section 42238.03, per pupil, for each affected district and the effect of the petition, if approved, on that allocation.

The territory proposed for transfer consists of 13 parcels. Due to the small number of students, there will be no significant effect on the LCFF allocation due to the petition.

3. Whether the districts involved will be governed, in part, by provisions of a city charter and, if so, in what way.

Not applicable to the current petition.

4. Whether the governing boards of any proposed new district will have five or seven members.

Not applicable to the current petition.

5. A description of the territory or districts in which the election, if any, will be held.

If an election is ordered, the Committee will determine the area in which the election is to be held. Generally, the election shall be held only in the territory proposed for reorganization under Education Code sections 35710 and 35732.

6. Where the proposal is to create two or more districts, whether the proposal will be voted on as a single proposition.

Not applicable to the current petition; the petition does not propose the creation of any new district(s).

7. Whether the governing board of any new district will have trustee areas and, if so, whether the trustees will be elected by only the voters of that trustee area or by voters of the entire district.

Not applicable to the current petition.

8. A description of how the property, obligations, and bonded indebtedness of existing districts will be divided.

The area proposed for transfer contains no public school property or buildings. The plans and recommendations of the County Committee on School District Organization would stipulate the division of any other property, funds or obligations (except bond indebtedness) affected by the proposed transfer. The County Committee may use any equitable means to divide the property, funds and obligations, including assessed valuation, average daily attendance (ADA), or value and location of property. Education Code Sections 35560 and 35736

If the territory is transferred, it will drop any liability for outstanding bonded indebtedness of the district of which it was formerly a part and assume its proportionate share of the outstanding bonded indebtedness of the district of which it becomes a part. Education Code Section 35575

Provisions for the exchange of property tax revenue are set forth in Revenue and Taxation Code Section 99 (i).

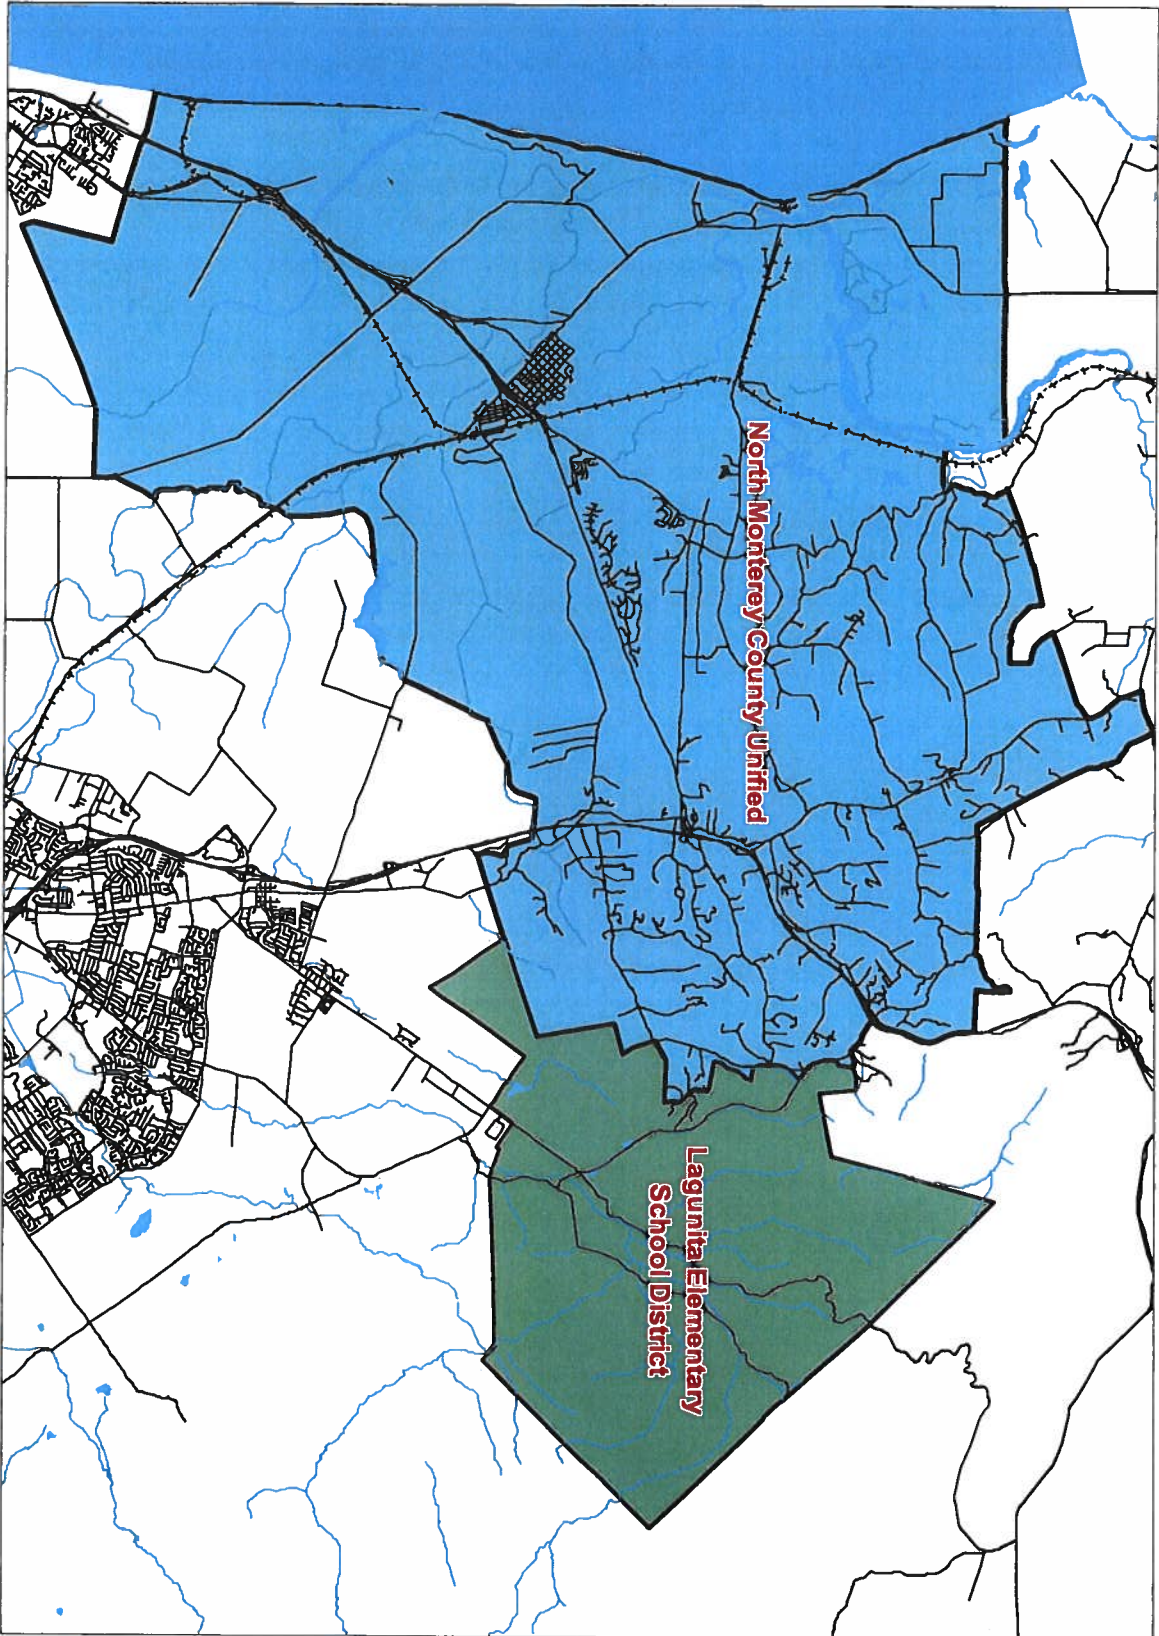

9. A description of when the first governing board of any new district will be elected and how the terms of office for each new trustee will be determined.

Not applicable to the current petition; this petition does not propose the creation of any new district(s).
