

# North Monterey County Middle School

## 7th Grade Bravo Family

---

Welcome to North Monterey County Middle School! We are your 7th grade teacher family.

We hope you and your loved ones are healthy and doing well. We want you to know that your education as well as your physical and social-emotional health are of the utmost importance to us. This year will be challenging for everyone involved; students, parents, families, and teachers. We acknowledge that everyone's circumstances are different. Please know that we are here to make this experience the best it can be and ensure every student is successful.

If you have any questions or just want to talk, please feel free to contact us via email, Google Classroom, calling the school, Talking Points, or any other innovative ways that come available to us. We will continue to stay in touch with all of you as much as we possibly can.

Students' first live Zoom class will be with their homeroom/advisory teacher on **Monday, August 24th at 2:10pm**. The Zoom link can be found in the student's homeroom/advisory Google Classroom. Be sure to log in a couple minutes early and be sure to read up on expectations.

### Distance Learning Expectations:

1. Be a Digital Citizen.
2. Check your school email one or more times per day.
3. Log in to ALL Google Classrooms daily.
4. Be prepared (attend all Zoom classes, complete all assignments on time, and ask questions when you have them).

We are incredibly excited for the year we have ahead of us. Instead of being nervous for the unknown, let's be excited to pave a new path! Rise up students, because you are now Phoenix!

Sincerely,  
Your Teachers
