

Greetings All NMC Parents,

I'd like to welcome everyone to the 2021-2022 school year. I hope you all had safe and restful summers. The first few months of this school year we will work with students on implementing routines and instilling positive relationships with students. My primary focus as a case carrier for students and in fact all students, is to ensure they feel they can succeed here at North Monterey County High School. I will continue to work with all students to ensure they have the proper tools to not only be successful here on campus, but out in the real world. We are excited to be back with our students in class and are looking forward to the year ahead!!

**A few extra things:**

1. Attendance issues including absences or tardies will need to be cleared with Maria in the attendance office
