

## Welcome to 7th Grade!

**We are your 7th Grade Family, which means we are your teachers for the 2020-2021 school year!**

The purpose of our 7th Grade Alpha Family is for students to have the same set of teachers who can work together to support all of the students we share. As a Family, we will be planning some fun and engaging activities and assignments throughout the year to get to know you better and to support you in all your academic, social, and emotional skills. Although we are so disappointed, we cannot meet you in person yet, we hope that we can still form a caring and supportive community for you to grow and learn.

Please contact us with questions or concerns by email or using the Talking Points app. You can also check out our Family website at <https://sites.google.com/nmcusd.org/7th-alpha-family/home>.

We are looking forward to getting to know you and your families! We are so excited that you are joining our NMCMS Phoenix community and we look forward to working with you this year!

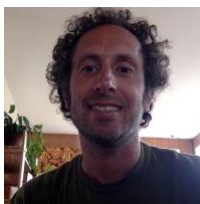

Sincerely,

Your 7th Grade Alpha Family
