

Dear Phoenix Parents,

Greetings from your school psychologist! I am very excited to be working with the NMCMS staff this school year. It is my pleasure to be a new addition to the community and I look forward to collaborating with you all to help support the students of NMCMS academically and with their social-emotional needs. As a school psychologist, I work closely with teachers, parents, students, and community members to help create a safe, healthy, and supportive learning environment for all students. I complete assessments, classroom observations, and consult with staff and parents. Additionally, I may meet with students to provide social skills lessons or skill building in a variety of areas. Email is the quickest way to reach me at [antonio\\_campbell-belmonte@nmcusd.org](mailto:antonio_campbell-belmonte@nmcusd.org). If you have concerns about your child's learning, behavioral, or emotional needs, please do not hesitate to reach out. I look forward to working with you during this school year! As we rise up to the 20/21 school year, we shall persevere and show that we are a stronger version of ourselves.

Sincerely,

Antonio Campbell-Belmonte

School Psychologist, North Monterey County Middle School
